ABOUT FOLDS OF HONOR FOUNDATION

More than one million dependents have been affected by the wars in Iraq and Afghanistan. Of these, 87 percent do not qualify for federal scholarship assistance. Folds of Honor, a 501(c)(3) charitable organization with a mission to empower deserving military families with educational support and opportunities, is helping fill this gap by providing educational scholarships for children and spouses of military service men and women killed or disabled while serving our great nation. Created by Major Dan Rooney following his second tour of duty in Iraq in 2007, Folds of Honor has awarded more than 3,800 educational scholarships to date.
